Founder's Message

Lorum ipsum dolor sit

Mr. Arun Gee
(The Founder)

I would like to take this opportunity to welcome you and join me and a plethora of Global and Local leading Business opportunities. At Bizz Expo & Conference 2024, we are witnessing a dawn of Master and Multi Unit Business Engulfing a mammoth landscape. It's all about tapping into the power of such Entrepreneurs who are risk takers and business builders and are looking for "bigger" and more sophisticated Brand Ownership and Growth at Global Level. With their power to leverage capital and resources, it enables the way for faster scaling of business building a substantial organisation in less time. BizzOpp Expo & Conference gives a broader business perspective and idea to such business partners who see the game at a higher level. The Business Expo would showcase global lucrative business opportunities from diversified industries and the entrepreneurs will be able to lock deals, raise funding for their ventures, connect with multiple high net worth investors and establish sustainable and substantial business model in the Market while discovering new product & Technologies.

COMPANY PROFILE

We, at Fav Fairs, are an established trade show and exhibition organizer delivering our services to clients worldwide. We serve industries of all sizes ranging from new to established industries which need a professionally organized trade shows including conferences to bring the world leaders and its fraternity of under one roof for the betterment of the industry.

We always go an extra mile to deliver our clients a measurable business value in the means of events, exhibitions, conferences and trade shows.

Our Vision

Fav Fairs through its ventures celebrate & support SMEs, MSMEs, Start-Ups, Individuals, NGOs & whole business community and strengthen their role in the development of our economy.

Mission & Vision

Excellency Awards (EA) – aims to serve as a guide, an inspiration, an archive, and at the same time, a reward to business people, entrepreneurs, and creators for their skills so that they continue to improve.

We think of Business Excellency as “an integrated collection of proven practices for how a business should operate to become the best it can possibly be.
